

GOING HOME

They say there's a place
where dreams have all gone
They never said where
but I think I know
It's miles through the night
just over the dawn
on the road that will take me home.

I know in my bones
I've been here before
The ground feels the same
though the land's been torn
I've a long way to go
The stars tell me so
on this road that will take me home

Love waits for me 'round the bend
Leads me endlessly on
Surely sorrows shall find their end
and all our troubles will be gone
And I'll know what I've lost
and all that I've won
when the road finally takes me home

And when I pass by
don't lead me astray
Don't try to stop me
Don't stand in my way
I'm bound for the hills
where cool waters flow
on this road that will take me home

Love waits for me 'round the bend
Leads me endlessly on
Surely sorrows shall find their end
and all our troubles will be gone
And I'll know what we've lost
and all that I've won
when the road finally takes me home

I'm going home
I'm going home
I'm going home
